Sketchbook: Designs by the world's finest tattoo artists

The idea of creating a book that would shed new light on the world of tattoo artists was first conceived about two years ago. Marco Brutt's tattoo-artist from The Netherlands, and his girlfriend Nancy Hemburgen, a lifestyle photographer, did this almost by contact amongst tattoo artists from all over the world with the request that they create a sketch for inclusion in this unique book.

Contributors includes: Black Jack, Mother USA, Jason Brooks USA, Joe Capobianco USA, ChupDink Japan, Fushihisa Portugal, Dave Fox USA, Henozak R&D, Hori Hori Japan, J.J. Mexico, Theo Jak USA/Denmark, Puffy Kelly USA, Felix Leo CH, Lorena Leo CH, Thine Leo, Chi Flip Leo CH, Maxash Japan, Matti Sweden, Mitsu Japan, Andre Sparta Brazil, Lee Symonds England, Tin Tin France, Hori Yoshi Japan, Trish Australia, Avi Vanahu Israel, others CH... and many more!
